Gentlemen:

My office has been in contact with individuals who have experienced problems because they have taken temporary substitute teaching positions after being laid off from positions because of workforce decreases. The Texas Employment Commission has not recognized this in a positive manner and are citing the Southside Independent School District Case.

I would appreciate being advised as to whether or not this is in accordance with the position of your office or if you have been asked for a position.

Thank you for your attention, and I look forward to your reply.

Sincerely,

Chris Harris
